# First American's National Title Insurance and Settlement Solution

F·A·N·T·I·S·S

First American  
Title Insurance Company

## THE UNMET NEEDS OF THE CLIENT:

- ▼ Single-source resourcing without burdensome layers
- ▼ Preservation of the role of the local title and settlement service providers and their key relationships with buyers and real estate professionals

## THE SOLUTION:

F·A·N·T·I·S·S

Concenter: *verb*, to bring or converge to a common center

FANTISS UTILIZES A CONCENTERED APPROACH, ONE WHICH IS DESIGNED TO CREATE ONE TEAM, ONE CORE FOCUS.

THE RESULT IS LINEAR ARCHITECTURE WITHOUT THE BARRIER OF LAYERS, EMPOWERING EACH TEAM MEMBER TO DO WHAT THEY DO BEST, THEREBY PRODUCING MAXIMUM EFFICIENCIES, MINIMIZED COSTS.

**FANTISS** is a 50-state team of unmatched title and settlement services providers, all with a common goal to collaborate in ways that produce extraordinary results for our clients. The team is a collection of direct and underwritten operations for First American Title Insurance Company, committed to team membership through a metrics-based promise of uncompromised standards of excellence. These local team members are focused on delivering the utmost in customer care to buyers and real estate professionals.

**The Client Center or C<sup>2</sup>** is the center point for the client and the entire team. It is a client communication portal that is an extension of our title and settlement services providers. C<sup>2</sup> provides you with one point of contact, backed by support team members at the local level that enhance quality control throughout the life of every transaction.

## CONCENTERED RESULTS:

- ▼ One point of contact with a team of experienced industry professionals
- ▼ Title cleared immediately after asset authorization
- ▼ A 50-state team of the leading title and settlement services providers from First American's direct and underwritten operations
- ▼ Metrics-based promise for FANTISS title and settlement team membership
- ▼ One system as the repository for all information; converted to the client system daily
- ▼ One commitment to quality control and continuous improvement
- ▼ Unlimited scalability
- ▼ Reporting systems designed to meet your specific needs
- ▼ Enhanced marketing to buyers on your behalf
